Special Subject – Tennis - 2026

The Hewitt Tennis program offers a tennis pathway at all year levels. In the early stages, the program incorporates the Tennis Australia Hot Shots program which uses modified racquets, balls, and courts. Lessons are structured to develop players' technical and tactical fundamentals through exciting, fun games where learning to serve, rally and score is emphasised.

Following on from the Hot Shots program, our intermediate and advanced squads further develop advanced technique and tactical aspects of the game. We aim for our squad players to progress to weekend competition and tournament play. The Firbank Tennis Club offers a pathway for team competition in the Moorabbin and District Junior Tennis Association.

Developing the basics as a junior equips players with the skills to enjoy and play tennis for a lifetime. Lessons are available for all ages and standards from Prep to Year 12.
